

Attention: Users of the IX70 Microscopy System in Room 214D VMA

Please NOTE the following changes.

Because of the high level of use of the IX70 Microscopy system, we will begin to use a RESERVATION SYSTEM beginning on September 1, 2006. The person with a reservation HAS PRIORITY to use the equipment. I believe you should limit your request to 2 Hour Blocks of time.

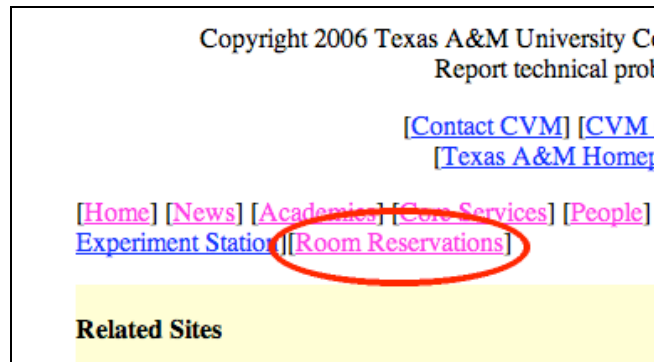

You can determine when the system is available for use via any web browser. The reservation calendar can be seen at this URL:

[http://ical.mac.com/WebObjects/iCal.woa/wa/default?u=vtpb_ical&v=1&n=IX70 Microscopy Suite.ics](http://ical.mac.com/WebObjects/iCal.woa/wa/default?u=vtpb_ical&v=1&n=IX70%20Microscopy%20Suite.ics)

Or you can link to the above URL from this page on the Pathobiology Web Site:

<http://vtpb-www.cvm.tamu.edu/Reservations.html>

Which is, in turn, linked at the lower portion of the VTPB home page (<http://vtpb-www.cvm.tamu.edu>), as seen below.

Once you find an open time, please email Mary Ronsonet (mronsonet@cvm.tamu.edu) with your NAME and the DATE and TIME that you want to reserve. She will add it to the reservation calendar. Once on the calendar, you will have priority in using the IX70. See the next page for an example of this calendar.

On the IX70 Computer you will find an ICON for the Reservation Calendar on the Desktop and the URL in the browser window toolbar.

If you are a Macintosh user, you can also “subscribe” to this calendar using the iCal program.

Thanks for your cooperation
